

# For Food Safety Trainers

## Hand Washing Training Kit

*Personal Hygiene is the one of the key factors for the prevention of foodborne illness. The Hand Washing Training Kit provides you with Glo Germ, one of the best hand washing demonstration products available. Also included is an excellent 10min. video on personal hygiene and hand washing. TrainCan Inc. recommends the use of this kit for classroom demonstrations with our Basics.fst, and Advanced.fst courses.*

### Kit Includes The Following

- Steps to Food Safety – Ensuring Proper Personal Hygiene Video (Canadian Edition)
- 8oz Glo Germ – Glo Germ Lotion Simulated Germs for training
- 4oz Glo Germ – Powder Simulated Germs for training
- 21LED Ultra Violet Flashlight (batteries include)
