

# ADVANCED.fst® Management Level Food Safety Training/Certification Halifax, Nova Scotia Tuesday November 13<sup>th</sup>, 2018

## ADVANCED.fst® Management Food Safety Training Is Important To My Business!

Give your managers/staff the confidence and the knowledge to make the right food safety decisions everyday in your operation. Keep your customers and your business safe.

### What are the benefits?

Learn about proper temperatures, receiving and storing, pest management, hygiene, purchasing and receiving, bacteria, listeria and other micro - organisms, the flow of food and much more.

Protect your business against the costly effects of potential food borne illness outbreaks. Improve food quality, cost control and inventory rotation procedures.
